

What is the Cathedral Bus Service?

The Cathedral Bus Service is a dedicated bus service over three routes linking the rail station, principal city centre bus stops, coach parks and the market place with the World Heritage Site of Durham Cathedral and Castle. New from October 2011 are peak time journeys to the Durham University Science Park.

The service is operated using state of the art battery powered buses the benefits of which are:

- Each bus saves 15 tonnes of CO₂ emissions each year.
- There are no engine exhaust emissions.

Who can use the Cathedral Bus Service?

Anyone can use the bus. The buses have a step free entrance so are accessible for wheelchair users and people with buggies.

How much will it cost me?

- Tickets to travel on Cathedral Bus cost 50p (25p for children 13 years and under) and are valid all day with the exception of journeys to or from the university where a single journey fare of £1 (£1.50 return) applies.
- Concessionary passes are valid for free travel after 9.30 Monday to Friday and all day Saturday.
- Holders of valid Park & Ride tickets or Explorer North East tickets can also travel for free.
